

BRANKSOME HALL ASIA PRESENTS

# S U M M E R S E R I E S

MONDAY JULY 24 TO FRIDAY AUG 4, 2017  
10 DAYS, DAY PROGRAM

Branksome Hall Asia's 2017 Summer Series is an empowering 2 weeks of creativity, sport, and challenge. Inspired by Branksome Hall Asia teachers and visiting artists, coaches, and performers, students from Korea and Asia come together to explore, grow, and challenge themselves.

Using our online registration system, Summer Series participants create their own schedule. Students choose from over 80 different classes to build a schedule that matches their needs and interests. In the arts and media participants can take classes in sculpture, painting, stop-motion animation, and fabric arts. We offer performance programs such as drama, shadow puppetry, film making, digital music production, and music master classes. Our extensive athletics program include classes in swimming, golf, volleyball, multi-sport and soccer.

In addition, we offer the Branksome Hall Asia Prep program which focuses on building students' academic skills for success. This program is an inquiry-based program, modeled on International Baccalaureate curriculum and teaching approaches. Branksome Hall Asia Prep is designed for current and new Branksome Hall Asia students, as well as students who seek a taste of IB inquiry learning and life at Branksome Hall Asia. When students enroll in Branksome Hall Asia Prep, they can also choose other Summer Series courses.
